

Sir Donald Brydon CBE

Current Positions

Sir Donald Brydon is currently Chairman of Sage Group plc and the Medical Research Council.

Background Information

Sir Donald had a career in asset management, first at British Airways plc and then at Barclays plc where he built the forerunner to today's largest asset manager in the world. He developed indexation and turned Barclays (later BZW) into a major quantitative investment manager.

Following the 'Big Bang' he led BZW Asset Management Limited before building AXA's global investment management business.

In the past Sir Donald has been Chairman of London Stock Exchange plc, Royal Mail Group plc, Smiths Group plc, the London Metal Exchange Limited, Amersham plc, Taylor Nelson Sofres plc and the ifs School of Finance as well as a Director of Allied Domecq plc and Scottish Power plc.

Other Notable Interests

Sir Donald Brydon is Chairman of the Science Museum Foundation and Chairman of the charity 'Chance to Shine'. He is a past Chairman of EveryChild.

He was awarded an OBE in 1994 and a CBE in 2004 for services to the financial services industry. In January 2019 he was knighted for services to business and charity.

Sir Donald is based in London.
