

Ronnie Leten

Current Positions

Ronnie Leten is the Chairman of Ericsson AB. Mr Leten is also the Chairman of Epiroc AB, a mining and infrastructure subsidiary of Atlas Copco AB. He is currently a Non-Executive Director on the Board of SKF AB and on the Board of IPCO AS, a leading global supplier of industrial process solutions.

Background Information

Ronnie Leten has spent most of his career with leading Swedish global companies.

After an early career at General Biscuits SA in Belgium, he joined Atlas Copco AB in 1985, where he had various senior positions until 1995.

He then served for two years as Plant Manager for Tenneco Automotive France SA in Belgium before returning to the Atlas Copco AB to become Business Area Leader for the worldwide compressor business. In 2009 he became CEO of the entire group.

During his eight-year tenure as CEO of the Atlas Copco Group the company's market capitalisation quadrupled to €45bn. Mr Leten stepped down from this role in early 2017.

Mr Leten became a Non-Executive Director on the Board of Electrolux AB in 2012 and became its Chairman in 2014 until April 2018.

Other Notable Interests

In 2019, Mr Leten was awarded the Doctor Honoris Causa from Hasselt University, Belgium.

Mr Ronnie Leten is based in Antwerp and Stockholm.
